I am a proud wife, mother and grandmother who believes that beauty, confidence and style have no age limit.

I take great pride in looking my best and presenting myself with elegance and grace. I have a passion for fashion, travelling, dining out and creating wonderful memories with family and friends. I also love entertaining and preparing delicious home-cooked meals, bringing people together around good food and great conversation.

Alongside my love of fashion and lifestyle, I work as a live-in carer, a role that reflects my compassionate nature and genuine desire to make a positive difference in the lives of others.

I am embracing this exciting new chapter as a mature model with enthusiasm and confidence. I believe maturity brings character, authenticity and timeless beauty, and I look forward to inspiring others while enjoying every opportunity this journey has to offer.
